Our course content

* *Morning – Primary Plus*

Developed by the British Council's team of English language experts who understand how children learn English effectively, delivered by British Council teachers, Primary Plus gives children confidence that goes beyond their language skills.

Our course enables children to learn English through stories and real-world topics that are interesting to them. It gives them the language skills they need to communicate with confidence and equips them with essential life skills to meet future challenges.

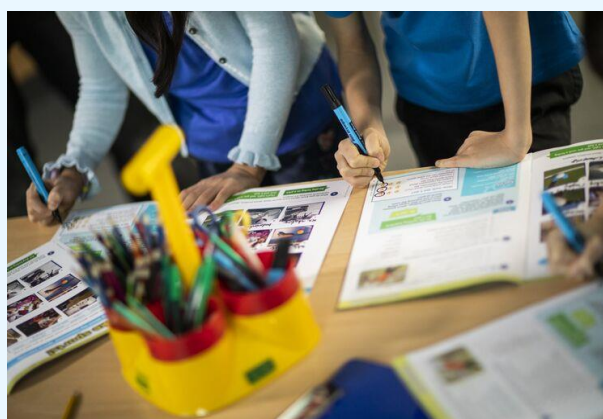

* *Afternoon – British Council Clubs*

British Council Clubs is a hands-on course where children gain confidence while exploring a world of exciting experiences, all in English! From interactive science experiments to creative projects and roleplays, our clubs' program is designed to help young learners discover their voice and thrive in any multidisciplinary situations.
